

# CHILDREN'S BEHAVIOUR GUIDELINES

As much as we want your child to have fun and enjoy themselves at SMILEY CATS, we obviously must have rules and behaviour guidelines that your child must follow for their own safety as much as anything.

These rules and guidelines are as follows:

1. All children must follow instructions as given by Smiley Cats team.
2. For their own safety, children must not leave their designated area without prior permission.
3. Children must not use foul or abusive language or aggressive behaviour in any form.
4. Children must not intimidate or bully any other child attending the event.
5. Children not wishing to participate in the arranged activities must wait quietly until that activity has finished.

Failure to adhere to these guidelines will result in the child being removed from their group for a cool off period. Persistent mis-conduct may result in their removal from the event.
